RE: architectures

Dear Hiring Manager,

I am writing to express my interest in the **[Architect Engineer]** at **[Gensler]**. With a strong background in architectural engineering, coupled with practical experience gained through various internships and hands-on training, I am eager to contribute my skills and expertise to your team. I am confident that my technical proficiency in industry-standard design software and my passion for architectural innovation will make me a valuable asset to your organization.

Throughout my internships with companies such as The Arab Contractors, Infinity Consultants, Saudi Diyar Consultants, and ECG, I have honed my skills in architectural design, project coordination, and creating detailed shop drawings and 3D models. I have gained practical experience using tools like AutoCAD, Revit, 3ds Max, SketchUp, ArcGIS, Enscape, and Navisworks. My ability to work effectively within teams, along with my adaptability and problem-solving skills, has allowed me to contribute to successful project outcomes while maintaining a keen attention to detail.

I am currently completing my BIM Diploma at Kaitech and expect to graduate with my Bachelor's degree in Architectural Engineering on **June 27th, 2025**. I look forward to the opportunity to join your team in a similar position and contribute to the ongoing growth and success of your firm. My commitment to quality and drive for professional growth will enable me to make meaningful contributions. I am available to join your company full-time starting **July 1st** and am excited to help further the success of your organization.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasm can benefit **[Gensler]**. Please find my resume attached for further details. I am available for an interview at your convenience and can be reached at **[+20 111 64 886 88]** or via email at **[fatma.mohammed.fouad@gmail.com]**.

Sincerely,
Fatma mohamed ahmed fouad
