

# Alpaca Course Guide – PSLE Chinese

Textbooks, Curriculum, Syllabus and Tests	
Who should take	This course is specially designed for <b>Primary 5 and Primary 6 students</b> preparing for the <b>PSLE Chinese exam</b> . It is ideal for students who want to strengthen their foundation, improve their academic performance, and approach the PSLE with greater confidence and less stress — whether they are in the Standard or Higher Chinese stream.
Curriculum Overview	Our PSLE Chinese course is closely aligned with the <b>MOE syllabus</b> and exam format. It focuses on developing core language skills, building strong exam strategies, and nurturing confidence in using Chinese in both academic and real-life contexts. The course provides structured and progressive learning tailored to each student's level and school requirements.
Learning Content	<p>Students will focus on:</p> <ul style="list-style-type: none"> <li>• <b>Oral communication</b> skills (Reading Aloud &amp; Picture Conversation) with targeted practice and feedback</li> <li>• <b>Composition writing</b> techniques, including sentence construction, story development, and vocabulary enrichment</li> <li>• <b>Comprehension skills</b> through guided reading and question analysis</li> <li>• <b>Listening comprehension</b> with exam-style recordings and practice</li> <li>• <b>Vocabulary and grammar building</b> using commonly tested words and structures</li> <li>• <b>Mock exams and revision strategies</b> to reinforce learning and reduce exam anxiety</li> </ul>
Learning Goal	<p>By the end of the course, students will:</p> <ul style="list-style-type: none"> <li>• Improve their performance in all PSLE Chinese components: oral, listening, writing, and comprehension</li> <li>• Build a solid foundation in Chinese vocabulary, sentence structure, and grammar</li> <li>• Gain confidence in expressing themselves clearly and fluently in both written and spoken Chinese</li> <li>• Be well-prepared to achieve excellent results in the PSLE Chinese exam</li> </ul>
