

# Private Host Italy – Collaboration Pack

For Travel Agencies & Tour Operators

Our mission is to provide agencies with a **trusted local partner in Italy**, ensuring their clients receive hospitality, flexibility, and professional support throughout their journey.

## Why Choose Private Host Italy

- Transparent **Net Rates** – easy to mark up and resell.
- Coverage from **Turin & Milan** across the whole Italian territory.
- **More than a driver**: true hosting & local support for clients.

Service	Duration	Net Rate (per group)
Full Day	up to 8 hours	€250
Extended Day	10–12 hours	€350
Full 24h with overnight	per 24 hours	€500

**Notes:** Rates are per group (1–8 pax), not per person. Add-ons are charged per day — same price for 1 to 8 guests. Multi-day bookings: from 2 consecutive days, **special discounts** apply, defined directly via chat or phone. Rates are net, agencies are free to apply their own markup.

**Example:** A 2-day service from Milan with 6 guests — clear net rate, included vehicle, overnight fee defined, and seamless assistance throughout the stay.

## Included Services

- English-speaking Private Host with clean, comfortable vehicle (1–8 pax).
- Flexible planning with last-minute adjustments.
- Restaurant & hotel reservations managed on behalf of the clients.
- On-site assistance for tickets, shopping, emergencies or unexpected needs.
- Support with logistics, check-ins and client requests.

## Service Area

Net rates are valid for services starting from **Turin or Milan**. For departures outside these hubs, an **extra travel/fuel fee** will apply, defined directly at the time of booking.

## Commercial Conditions

Net rates valid until 31/12/2025. Payment at confirmation (bank transfer or agreed method). High season supplements may apply during major events (e.g., F1, fairs, exhibitions). Agencies are free to apply their own markup. Full terms & inclusions available on the website; agency-specific agreements can be discussed.

Private Host Italy is fully dedicated to agencies, with direct communication via WhatsApp or email, and guaranteed response within 24h.
