About us

With **THINKSAFE**, you get a one-stop partner for 'Life Safety Solutions', featuring a comprehensive portfolio that guarantees complete protection.

Comprehensive protection covering **Fire Hazards, Head, Eye, Hand, Hearing, Respiratory, Foot and Body**, along with a wide range of safety solutions such as Fall Protection, Emergency & Rescue, First Aid, Confined Space Safety, Electrical Safety, Gas Detection, Breathing Apparatus, Emergency Signages, Spill Control Kits, Fire Alarm & Suppression, Fire Retardant Coatings and more.

Driven by deep expertise in AI, safety compliance, and industrial operations, our goal is to bridge the gap between safety regulations and real-world execution. Enabling organizations to prevent incidents before they happen. Engineered to support construction firms, infrastructure projects, public sector zones, and industrial clusters, our platform delivers scalable, intelligent safety management with minimal manual effort and maximum regulatory readiness.

Fire Extinguishers

- **Dry Chemical Powder.**
- **CO2, Water CO2.**
- **Mechanical Foam.**
- **Portable & Modular.**

Fire Fighting Hoses, Equipments

- **All types of Hydrant.**
- **Hose Reels & Accessories.**
- **Cabinets & Inlet Breeching.**
- **Monitors & Controllers.**

Fire Alarm System

- **Conventional System.**
- **Addressable System.**
- **Public Address System & Annual Maintenance Contract.**

Fire Suppression System

- **CO2 & FM200 inergen for suppression.**
- **Automatic Fire Suppression System.**

Fire Fighting & Heat clothing

- Flame Retardant Garment.
- Aluminized Fire Proximity Suit.
- NFPA/EN Certified Suit.
- Fire Fighting Gum Boots.

Rooftop Walking System

- Duck Ladders.
- Crawling Boards.
- Rooftop Safety Nets System.
- Aluminium & FRP Ladders.

Fall Protection Tools

- Full Body Harnesses.
- Fall Arresters, Safety Nets.
- Anchorage points, Hooks, Lanyards, Rope Grabs.

Lifeline System

- Horizontal & Vertical Lifeline Systems.
- Over-the-roof & Over-the-head Lifeline Systems.

Electrical Safety Protection

- **Arc Flash Protection Coverall kit.**
- **Insulating Apron.**
- **Electrician Insulated Tool Kit.**
- **Electrical Insulation Rubber Mat**

Photoluminescent Signages

- **Luminous Glow & Flexile Material.**
- **Rigid Sheet (ARS 10000), ECO sheet, Aluminium Sheet.**

Emergency Lights

- **Portable Non-Maintained Lights.**
- **Maintained Lights.**
- **LED & Decorative Lights.**
- **LED Conversion Module.**

Lock Out & Tag Out

- **Lockout/Tagout Kit.**
- **Lockout Tags Maintenance,**
- **Lockout Station.**
- **Safe Electrical Plug Lockouts.**

Personal Hygiene

- **Bathroom Tissues.**
- **Facial Tissues, Pop up Napkins, Hand Sanitizers.**
- **Shoe Shining Machine.**

Foot Protection

- **Safety Shoes, Dual Density PU sole. Leather Upper.**
- **Steel Toe Cap & Midsole.**
- **Exceptional Shock Absorption**

Protective Clothing

- **Minimize Risk, Maximize Production.**
- **Protective Apparel & Particle Protection lab Coats.**

Hand Protection

- **Industrial Gloves With Abrasion Resistance & Chemical Resistant.**
- **Gloves that protect you & your work.**

Head & Body Protection

- **Industrial Safety Helmet & Accessories.**
- **Full Body Protection – Chemical Protection, Dust Protection, etc.**

Respiratory Protection

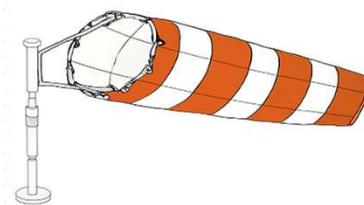

- **Breathing Apparatus, Escape Set, Escape Mask With Filter.**
- **Powered Air Purifying Respirators & Airpack Trolley.**

Face & Eye Protection

- **Safety Spectacles.**
- **Safety Goggles.**
- **Face Shields.**
- **Protective Glasses & Shields.**

Emergency & Rescue

- **Life Jacket, Wind Sock, First Aid Kit, Lifebuoys & Evacuation Triangle.**
- **Megaphone, Electric Siren, Flame Proof Torches, Bosun's Chair, etc.**

Search & Rescue Torches

- **B.F.L. Area Light, Right Angle LED.**
- **LED Headlamp & Rechargeable Headlamp.**
- **Worksafe LED.**

Spill Control Equipments

- **Hazmat Kit & Absorbent Socks.**
- **Oil Absorbent Kit.**
- **Oil Only Spill Kit.**
- **Universal Spill Kit.**

Confined Space Blowers

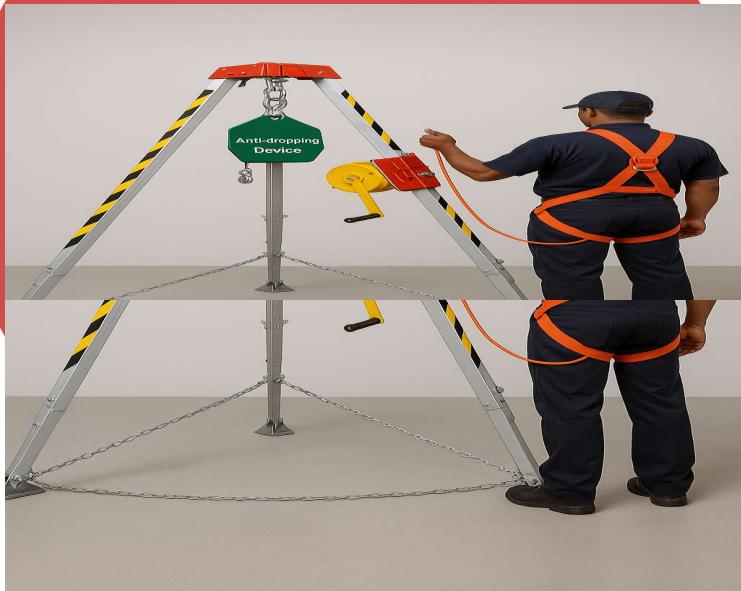

- **Non-Flameproof Blowers, Air & Petrol Driven Blowers.**
- **Flameproof & Explosion proof Blowers. Battery Driven Blowers.**

Emergency Leak Arrest

- **Cylinder & Tonner**
- **Emergency Leak Arrest Kit for Tonner – Chlorine, HF, Methyl Chloride.**

Confined Space Equipments

- **Tripod and winch system.**
- **Retrieval Equipment.**
- **Confined Space Kit.**
- **Monopod System.**

Hot Work & Welding

- **Welding Helmet, Goggles, Gloves, Aprons.**
- **Welding Cap, Fire Resistant Head Covering.**

Gas Detection System

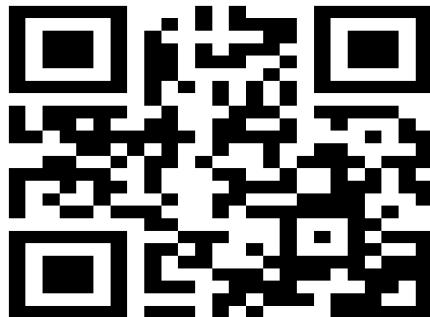

- **Fixed Gas & Flame Detection Systems. Personal Monitors.**
- **Portable Measuring Instruments.**
- **Installation, Calibration, Testing.**

Safety Equipments

- **Anchorage, Hooks & Tackles.**
- **Handrail Protection & Walkways.**
- **Aluminium Skylight Protection System.**

A solution for every need
