## **Ritak Chambers: Empowering Enterprise with Legal Excellence**

Ritak Chambers is a full service law practice offering precise, business-centric and technology-forward legal solutions. Focused on clarity, strategy and dependable execution, we aim to combine sectoral expertise with hands-on commercial understanding to support clients across the full spectrum of their operational and strategic legal needs. Our team is experienced in advising clients operating across banking and finance, retail, FMCG, ed-tech, real estate, apparel, sports, mobility, telecommunications, insurance, information technology, media and entertainment, hospitality, infrastructure, logistics and multiple other industries.

### **Founding Attorneys**

1. [Aayush Kevlani](#) [Litigation, Arbitration, Insolvency & Regulatory]: Aayush advises and represents multinational corporations including listed entities and founders in high-stakes disputes before the Supreme Court, High Courts, District Courts, NCLAT, NCLTs and various other tribunals/fora across India. His practice primarily spans civil/commercial litigations, arbitrations, investigations, insolvency, and regulatory proceedings involving entities and individuals across the U.S., Europe, Middle East and APAC regions.
2. [Avrati Srivastava](#) [Technology, Privacy & Corporate-Commercial]: Avrati advises global technology companies and high-growth startups on incorporation, investments, fundraising, contracting, data protection, product compliance, employment, IP and other corporate-commercial matters. A Certified Information Privacy Professional (Europe), she has built and led in-house legal functions as well as supported teams across the APAC, Middle East, Europe and North America regions.

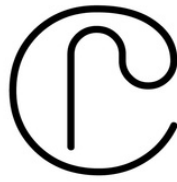

### **Expertise**

#### **1. Disputes & Investigations:**

We represent clients before courts and tribunals across India, especially with real estate, regulatory, insolvency, IP, employment, IT, domain name, recovery, consumer, MSME and personal law disputes. Our practice includes assistance with multi-jurisdictional matters, including internal/external investigations and commercial arbitrations. We have acted in proceedings involving corporations, enforcement agencies as well as government bodies.

#### **2. Corporate-Commercial, Contracting & Startup Advisory:**

We support founders and companies from incorporation to scale with governance; fundraising, structuring and investment documentation; strategic contracting; employment structuring and compliance systems. Our practice spans drafting and negotiating a variety of documents including SHAs, SSAs, founders' agreements, SaaS and technology agreements, licensing and distribution agreements, partnership and service-

level arrangements, as well as vendor, logistics, warehousing, and real estate agreements. We also assist clients with disputes/arbitrations arising out of multiple such instruments.

**3. Technology, SaaS, AI & Data Protection:**

We advise high-growth startups and SaaS platforms on product compliance, contracting, data governance and privacy frameworks, including GDPR, CCPA, DORA and India's Digital Personal Data Protection Act. Our work includes formulating website policies, terms, DPAs, SLAs, AI frameworks and end-to-end legal infrastructure for digital businesses.

**4. Intellectual Property & Brand Protection:**

Our IP practice covers trademark and copyright filings, searches, portfolio management, infringement monitoring, oppositions, and disputes. We help integrate brand and IP safeguards across product, content and marketing workflows, including with advice on fair use, brand compliance, advertising, licensing, assignment, and rights-clearance. We also represent clients in infringement actions, takedown proceedings and related IP litigations.

**5. Real Estate, Due Diligence, Tenancy, Rent & Eviction:**

We conduct real estate due diligence, title reviews and lease/sale structuring, besides advisory on tenancy, rent, eviction and other real estate matters. We also represent clients in complex real estate and leasing disputes and arbitrations.

**6. Banking, Insolvency & Liquidation:**

We assist clients with insolvency, bankruptcy, liquidation, financing and restructuring issues, including representation in NCLT, NCLAT, DRT, guarantee, claim, and attachment proceedings. Our experience includes acting for resolution professionals/applicants, liquidators, and entities engaged in high-stakes insolvency resolution matters.

**7. Insurance & Reinsurance:**

We counsel insurers, reinsurers and policyholders on claims, coverage, underwriting and regulatory issues, including advisory on policy terms and representation in related disputes before courts, arbitral tribunals and consumer fora across India.

**8. Labour, Employment & HR Legal Management:**

We advise on the full spectrum of employment and HR legal matters, including drafting employment/labour contracts and policies, POSH compliance, ESOPs and RSUs, workforce structuring, disciplinary and separation processes/instruments, as well as assistance with and representation in all related disputes.

**9. Regulatory, Compliance & Secretarial Advisory:**

We advise on marketing, advertising, food safety, metrology, POSH, and broader regulatory compliances/disputes including advisory and assistance with secretarial matters.
