flavors shine through

Whether you live to eat or eat to live, you'll love it all. From exciting new options, like the live-action eat-ertainment of Umai Teppanyaki and the al fresco dining of the Promenade, to favorites made even better.

The greatest
entertainment under the Sun

Theater lovers, your heart belongs to venues designed to fully engage you. Like the top-deck Dome (pictured), the shapeshifting Princess Arena, O'Malley's Irish Pub and Spellbound by Magic Castle created in partnership with The Magic Castle™ featuring enchanting entertainment and cocktails served with sleight of hand.

See the world in a whole
new light

It's more than ocean views in every direction. It's being immersed in the world around you like never before. Our Piazza may have been inspired by the town squares of Europe, but her evolution is out of this world.

Soak up the
relaxation

Come feel the "ahhhh!" in spaces where all you gotta do to relax is take in the ocean vistas. Our Sea View Terrace sets the tone at the front, while the new Wake View Terrace features an infinity pool, bar and a whole new way of aft life.
