04 CONTACT

.MEERAMAR DESIGN

MEERAMAR DESIGN is the brand through which **ARCH GROUP** conducts business .

The group targeting all aspects that affect the human space: from product design to communication from architecture to interior designs, from development to procurement .

ABOUT US

MEERAMAR DESIGN is a design studio operating in the field of interior design and architecture.

The studio is distinguished by its high-end design, international expertise, and local capability and works across various typologies, including residential, commercial, and hospitality projects.

The studio offers tailor-made solutions for every project that has a unique identity according to its context. Understanding the scope and the projects' ambitions and listening to clients, users, and contractors help us create well-conceived design solutions.

“ HEARING YOU , LISTENING TO YOU ,
TAKEING CARE OF YOU
IS WHAT MAKES US DIFFERENT ”.

We examine the site to discover its limitations and possibilities, and then consider these features alongside the environmental, geographic, cultural, and behavioral context before offering design concepts to our clients. Once a selection is made, we begin the research' **EXPERIMENTATION**, and **CREATION**. Each member of our diverse architectural team offers their specialized expertise to collaborate on and cover all the facets of a project, from the concept design stage to construction supervision .

Our **PHILOSOPHY** to architecture is to achieve **BEAUTY** through research of **DETAIL** and precise juxtaposition of materials, to imbue each commission with a **TIMELESS** quality of its own, and ultimately to **CREATE** sense of identity .

OUR EXPERTISE

MEERAMAR DESIGN expertise lies in the recruitment of TALENTED, outstanding expert architects and enthusiastic partners.

MEERAMAR seeks to provide level of quality.

By developing and implementing a management system, **MEERAMAR** offers progressive architecture and engineering from CONCEPT DESIGN to DETAILED DESIGN and construction plans.

It also provides on-site supervision after contracting. **MEERAMAR'S PORTFOLIO** is rich in world-class projects from developments to hospitality, leisure, sports healthcare, education, urban planning, even landscape and interior design.

Its streamlined approach to design and construction helps deliver a successful and on time delivery reliably and efficiently.

- ARCHITECTURE DESIGN .
- PLANNING & URBAN DESIGN
- LANDSCAPE DESIGN
- INTERIOR DESIGN
- ANIMATION & VISUALIZATION
- GRAPHIC DESIGN

The studio **EMPLOYS DESIGNERS** from various fields Majors including architecture and interior design,engineering and graphic design .

The studio is **DISTINGUISHED** by its ability to design and perceive

Important projects on a tight deadline. We are flexible and responsive in our approach, The team In Studio

MEERAMAR DESIGN works as one unit that delivers the best it can Be the result in all design projects .

“ We are better together ”

OUR VISION & MISSION

MEERAMAR DESIGN In the next future years intended to be leading company in the region.

An outstanding dedication to clients we take leadership to a new level by promoting professionalism, balanced design, technical capabilities applied technology and quality in service.

Our duty is to achieve a better built environment, preserving specific social values in a modern context. Our vision is dedicated further to create tomorrow's generations of architects and engineers to continue the progress and advancements of our company .

MEERAMAR DESIGN mission is to build aesthetically valuable and inspiring architecture that enrich the lives of people and create better world to live in.

MEERAMAR aims to be one of the leading companies in the middle - east that values the life of people through the creation of the space.

OUR HIGHER MISSION is ,participated in shaping the future of the world by creating a safe sustainable liveable communities by our architecture.

MEERAMAR DESIGN

ADMINISTRATIVE OFFICE

In a 15 sq'm space we were asked to design an office that looks luxurious. But the space was one of the hardest for an architect to work with and needed architects that have a great expertise because of the unusual angles present in this space, and our architects were up for this kind of job so with the great architectural vision that they have they managed to come up with this masterpiece of elegance like no other .

BAR IN AGAMING CAFE

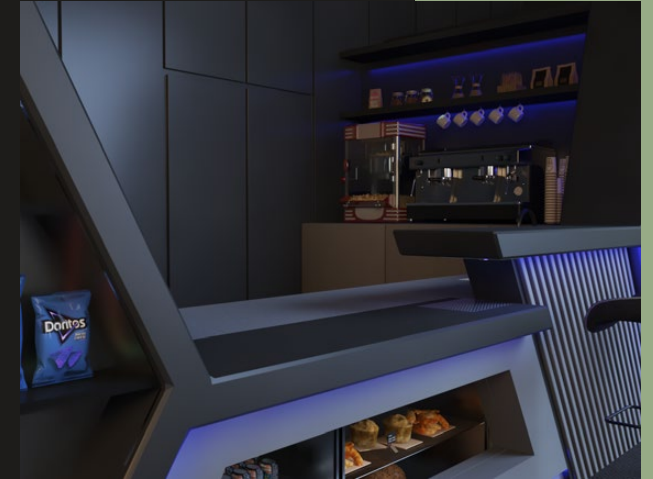

Our client wanted to install a bar to serve soft drinks and snacks,so they asked us to design this bar to look appropriate and blend in with its surroundings but at the same time stand out.

So we designed this bar to look as gaming as possible, with straight, angled lines, sharp angles and LED lights to complete the look. With that we checked all the boxes that were set for this design .
