

A close-up, low-angle shot of a person's hands holding a small, dark object between their fingers. The person's face is partially visible on the left, looking down at the object. The background is a bright, hazy landscape, possibly a beach or a field, with a strong light source creating a warm, golden glow. The overall mood is contemplative and serene.

Developing students
who understand that
there is more than
just the here and now,
while recognizing
that the here and now
has intrinsic value
and beauty.
