WHAT IS A CAREER GUIDANCE WORKSHOP FOR 8TH- 12TH

MYEDUCATOR conducts Career Guidance Workshop for students and provide them the knowledge about different career paths and also choose what's best for them, with this we can not only help them to survive in this competitive world but also help them to be ahead of everyone.

Our counsellors annually deliver over 250+ workshops on a range of Career Stream selection, internship, and graduate school topics. Programs are designed for broad audiences as well as specific populations such as school students or potential Medical, Management or Engineering students.

Do you know that that choosing the right career can change a students' life? However many students fail to take the right career decision. Hence schools can appoint career counseling for 10th STD students to help them in making the right decision such as choosing the right stream, right college etc. Which can lead them to choose their exact career.

BENEFITS OF CAREER WORKSHOP ARE:

- ❖ It helps to understand a child's Inherent Strengths.
- ❖ It helps to analyse the career choices for student.
- ❖ It will help a child in choosing the right Career.
- ❖ Student will get a 2-10 Pages Career Assessment Report.
- ❖ Emphasizes On The Type Of Environment, Which a student can Handle Successfully
- ❖ Helps To Analyse The Career Choices That Are Suitable For a student Education Streams as Per Career Option.
- ❖ Test helps to understand a child's innate interest & potential.
- ❖ It includes a child's personality, Interest and skills test.
- ❖ Tests are designed scientifically by vastly experience Psychologists.

DETAILS OF THE WORKSHOPS

9TH & 10TH standard plays an important role in shaping the career of a student as it helps determine their stream & Career of subject and helps them in choosing the right course too. MYEDUCATOR conducts workshops for these students to help them take the right career decision.
