## WHAT IS THE C.A.R.E. TEAM?

The C.A.R.E (Christians Actively Responding to Everyone) team is a group of St. Luke members who can provide support to other St. Luke family members who are experiencing illness or other challenging circumstances in their lives.

We can provide: meals-errands-chores-rides-visits-sitting with a homebound family member while the family caregiver goes out for their own appointments. The St. Luke family is part of your extended family! If we can help you, please call our hotline at 631-600-0271 and leave us a message, one of our volunteers will call you back as soon as possible.

## Stewardship - (an outline and definition)

As believers, the following should be occurring to us all:

- That we no longer belong to ourselves
- That we no longer own our own time
- That we no longer own our own lives
- That we no longer own our own bodies
- That we no longer own our own money
- That we no longer own our own possessions
- That we no longer own our own gifts and talents

Being God's stewards, we are expected to use and manage all of our time, treasure and talents for the lords use first, then ours. All of the things we have in our lives, (possessions, money, health, careers, etc) are all temporary gifts to us, on loan from God, until we see him face to face in eternal life. This is how our Christian view is so radically different, from the world's view.
