**Dear Friends,**

It is that time of year to begin planning for our 22nd annual “Alec’s Run”. This race has become an unqualified success-we have had over 575 runners in the past. Additionally, over 100 children participated in the Fun Run. Besides getting the word out about the dangers vehicles can pose to children, we were gratified with the reaction from the community. Alec’s Run has received rave reviews from everyone.

The monies raised helped children in the school district buy back-to-school supplies, enabled some students to go on field trips previously out of their financial reach, assisted others with buying books at the school book sale. We support local food pantries that help feed the needy in our community. We also contributed to Hospice Care Network, an exceptional resource for bereavement counseling that is offered to anyone who has suffered a loss. Their services are invaluable, and are free of charge.

We were able to support Kids and Cars, the grass roots organization dedicated to changing the overlooked, dangerous manufacturing designs in cars. We are proud to say we have accomplished a great deal these past few years in our roles as advocates for children. Look them up at [kidsandcars.org](http://kidsandcars.org).

The Alec William Nelson Charitable Corporation is a 501(c)(3) tax exempt, non-profit organization, which relies on donations for its existence. Our tax-exempt number is 20-2310211. Your sponsorship helps us attract runners to our event so we can continue our mission of serving children in our son’s memory.

This year the race will be held on April 25th, 2026 around the streets of Dix Hills. For more information, please see our website, [Alecsrun.org](http://Alecsrun.org)

Thank you so much for your interest.

Sincerely,

**Adriann Raschdorf-Nelson, Bill Nelson**
