

“Helping Hands” Volunteer Program:

This program is designed to give older children, ages 16 & 17, a sense of responsibility, as they learn leadership skills through this counselor in training program. They will help the teachers throughout the day with various tasks, as they will get to enjoy their summer assisting younger campers. This gives them the opportunity to become a potential counselor in the future for our program. *Note: Due to NYS OCFS regulations, we cannot have children ages 13-15 assist with our summer program.*
