

A Small Love Story is ideal for couples who want a meaningful, personalised ceremony with family and friends — without stepping into a full-scale wedding.

This package is designed for celebrations of up to **45 guests**, giving you space to include loved ones while keeping the ceremony heartfelt, relaxed and deeply personal. It allows room for rituals, readings or poems, and includes a lovingly written story that reflects your journey together and how your romance began.

All you need to do is choose the location that feels right for you — I'll take care of the legal requirements and guide you through creating a ceremony that truly feels like *you*.

Please note: This package does not include the official government marriage certificate from Births, Deaths & Marriages. Once your marriage is registered, BDM will email you a link to apply directly.
