

*A small circle, a big moment, beautifully shared.*

Perfect for couples who want an intimate ceremony with their nearest and dearest — without going overboard.

If you're dreaming of a small, heartfelt celebration with the people who matter most, **Keeping It Close** is your ideal choice. Designed for couples who want more than a signing but less than a full-scale wedding, this beautifully simple ceremony blends legal essentials with a warm, personal touch.

You can invite up to **25 guests (including your two witnesses)** and choose the location that feels right for you — whether that's a garden, a backyard, a park or a special place close to your heart. I'll take care of all legal requirements while keeping the moment relaxed, meaningful and memorable.

*Travel over 90km may incur an additional fee.*

**Please note:** This package does not include the official government marriage certificate from Births, Deaths & Marriages. Once your marriage is registered, BDM will email you a link to apply for this certificate directly.
