# Hello!

Hi, I'm Dawn, a multi-talented Celebrant working across North Yorkshire, Teesside, Northumberland, and the North East, known for my quirky, imaginative ceremonies. People choose to work with me for my warmth, humour, and my knack for crafting celebrations that truly reflect your personality and vibe.

Your wedding ceremony should be one of the most meaningful, joy-filled parts of your day and that's exactly what I'm here to help you create. From our first relaxed chat to the moment you say "I do," I'll be by your side to design and deliver a ceremony that feels truly you.

With years of experience speaking in front of large audiences, I bring calm, clarity and a steady presence, even when emotions run high. Clients choose me for my friendly approach, humour, and storytelling skills, helping every ceremony feel natural, inclusive, and unforgettable.

## What is a Celebrant?

A celebrant offers *freedom, choice, flexibility and personalisation*.

Unlike traditional or religious ceremonies, celebrant-led ceremonies have no fixed scripts or rules. That means your ceremony can be:

- Personal
- Flexible
- Inclusive
- Written entirely around you

### Why work with me?

- I take the time to truly listen
- I write every ceremony from scratch
- I balance professionalism with warmth
- I bring calm reassurance

## Why choosing a celebrant makes your ceremony truly special

### It's all about you

No two couples are the same, so your ceremony shouldn't be either.

I get to know you and craft a personal ceremony that tells your story, celebrates your relationship, and puts the YOU into your ceremony.

### Truly bespoke

Want modern? Traditional? Funny? Wildly creative? Completely minimal?

You have total freedom over the content, style, structure, and location. I'll share ideas, inspiration and suggestions, but ultimately, the choices are all yours.

## Ceremonies That Are Heartfelt, Fun & Totally You

Your wedding should be one of the most meaningful, joy-filled parts of your day and that's exactly what I'm here to help you create. From our first relaxed chat to the moment you say "I do," I'll be by your side to design and deliver a ceremony that feels truly you.

I offer a range of packages to suit everyone. Whether you're looking for someone to lead your whole ceremony, have booked a registrar but want to make your ceremony more personal, are planning a DIY wedding or want some help with writing your own vows and speaking confidently, I'm here to bring your story to life with warmth, humour, and care ensuring your ceremony is unforgettable.

No generic scripts or vows that don't feel like you, I'm passionate about ensuring that your ceremony tells your love story in a way that's authentic, emotional, funny, or all of the above!

# The Celebrant vs Registrar the difference

The biggest differences are with a celebrant you have *choice, flexibility and personalisation.*

## **With a registrar:**

- Wording is restricted by law
- Scripts follow a set structure with limited additions
- You won't meet them beforehand
- You won't know who you're getting until the day
- Ceremonies must run to strict time slots

## **With a celebrant (with me):**

- Your ceremony is completely bespoke
- No legal restrictions on wording or content
- We work closely together
- You choose the tone, style and structure
- Readings, symbolic elements and personal touches are all welcome
- You have total creative freedom

If you have a Celebrant ceremony you will need to complete the legal aspect of getting married separately. This is a very simple process and you don't need to exchange rings or vows when you do it. In the simplest terms, think about your birthday, that's the day that everyone gets together and has a party every year. No-one celebrates the day your parents went and registered your birth (I would be surprised if you actually knew when that day was).

# Why choose to work with me?

I'm a Celebrant with a big heart, a creative streak, and a total love for telling people's stories. I live in the beautiful village of Great Ayton with my husband Mark, where we wake up to views of Roseberry Topping. When I'm not crafting ceremonies, you'll usually find me sewing handbags, upcycling furniture, or styling our home with bright colours and quirky finds. I love a splash of personality in everything I do!

Your story is unique and your ceremony should be too. I believe it should feel so personal that your guests leave saying, "That was the most meaningful ceremony I've ever attended."

I'm a multi-talented Celebrant working across North Yorkshire, Teesside, Northumberland, and the North East, known for my quirky, imaginative ceremonies. People choose to work with me for my warmth, humour, and my knack for crafting celebrations that truly reflect your personality and vibe.

*"This wonderful lady truly made our special day run smoothly! Even in the utter chaos of working with children. The grace in which she carried out the ceremony was both beautiful and professional. I felt she went over and above to capture every detail of the day. Wonderful memories were made. Thank you."*

— Jacq Walker

*Dawn conducted the naming ceremony for our granddaughter and took care of the whole ceremony with a friendly, approachable and professional manner. She put everyone at ease and kept the proceedings flowing smoothly.*

*Many of those who attended, whom had never previously been to such a celebration, said how refreshing they found it. Many thanks to Dawn. Highly recommended.*
