## HELP CENTER

Welcome to the Help Center. This page answers common questions about accessing and using our digital products. If you cannot find the answer you need, please contact our support team and we will be happy to assist you.

How do digital downloads work?

After completing your purchase, you will receive an email containing a secure download link. This link allows you to access your files immediately. You can download the files to your computer, tablet, or mobile device and begin using them right away.

Can I print the planners and coloring books?

Yes. All printable products are designed for easy printing. Most files are formatted for standard paper sizes such as 8.5 x 11 inches. For best results, we recommend printing on quality paper or cardstock depending on the type of product.

How do I access my course?

If you purchase a course or training program, you will receive an email containing instructions and a secure link to access your course materials. You can log in and view the content at your convenience.
