Congress MP and Leader of Opposition in Lok Sabha, Rahul Gandhi, attacked the BJP-led central government after he met several patients camping on the roads and footpaths in the national capital around AIIMS Delhi. Rahul Gandhi on Thursday met several patients and their families camped on the roads, footpaths and subways around AIIMS. He enquired about their problems and grievances.

RAHUL GANDHI MEETS FAMILIES CAMPING ON FOOTPATHS, SUBWAYS AROUND AIIMS DELHI

"On their path to get treatment, they are forced to sleep on roads, footpaths and subways - just keeping a flame of hope burning amidst the cold ground, hunger, and inconveniences," Gandhi said.

"Both the Central and Delhi governments have completely failed in fulfilling their responsibility towards the public," he said.

Sharing a video of Gandhi meeting the families, Congress said, "Waiting for months for treatment, inconvenience and insensitivity of the government - this is the reality of Delhi AIIMS today

The situation is such that people who have come from far-off places bearing the burden of illness of their loved ones are forced to sleep on footpaths and subways in this cold."

"Burden of disease, biting cold, and government insensitivity - today I met patients and their families outside AIIMS who have come from far and wide in search of treatment," Rahul Gandhi said in a post in Hindi on Instagram.

Union Budget 2025: Tax exemptions to boost BJP ahead of Delhi elections.

The "aam aadmi budget" presented by Union finance minister Nirmala Sitharaman just days ahead of the Delhi assembly elections could provide a boost to BJP to take on the ruling Aam Aadmi Party (AAP), said analysts. The "aam aadmi budget" presented by Union finance minister Nirmala Sitharaman just days ahead of the Delhi assembly elections could provide a boost to BJP to take on the ruling Aam Aadmi Party (AAP), said analysts.

They said the proposed tax exemption up to the annual income of ₹12 lakh would directly impact 3.5 million salaried voters of Delhi.

At the national level, 28.2 million individuals filed returns with income up to ₹10 lakh for 2023-24, as per official data. Additionally, 5.05 million individuals filed returns with an average annual salary of ₹12.05 lakh. The proposed tax benefits are therefore likely to impact more than 33 million salaried voters directly across the country.

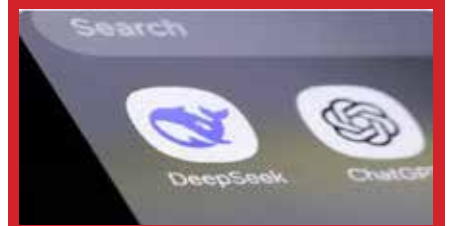

Union Budget 2025: Tax exemptions to boost BJP ahead of Delhi elections

In Delhi, the new proposals are likely to directly impact 1.7 million voters in the age group 18-25 years and 4 million voters in the age group 25-35 years. Together these voter groups account for more than one-third of Delhi's 15.5 million voters. The tax exemption will benefit the majority of the 3.5 million salaried employees in both government and private jobs, mostly located in urban pockets where

the ruling AAP won almost all the seats in the past two assembly elections.

Similarly, Kalkaji has a substantial presence of salaried voters. Delhi CM Atishi Marlena is contesting the seat against BJP candidate Ramesh Bidhuri and Congress leader Alka Lamba. The budget announcement assumes significance as according to the CSDS post-poll analysis of the 2024 Delhi Lok Sabha

elections, BJP lost one per cent votes in the age group 18-25 years and suffered a two per cent decline in the age group 26-30 years. The concentration of government employees is higher in high-profile assembly segments such as New Delhi, where AAP chief Arvind Kejriwal is pitted against BJP's Parvesh Verma and Congress leader Sandeep Dixit.
