MADRASSA APPLICATION FORM

In The Name of Allah The Almighty

The state of our children in this country is declining on a daily basis and carelessness towards Islamic & Non Islamic education is becoming common & widespread.

For the salvation of this generation it is very important that work be carried out from every angle by every institute and every person. If this generation is left unattended then it frightens me to even think about what is to become of them growing up in this environment.

Hadhrat Sheikhul Hadith Maulana Yusuf Motala Sahib (RA)
