

Hi All

Thank you for the interest in this event. While I know some are tentative, at the moment I'm over 30 people and over 20 cars interested.

I'm happy to tell you the hotel is now open for booking at our group rate. Here is the link.

**RESERVATION LINK :** <https://group.hamptoninn.com/ccz8tf>

Or

**You can call the hotel and mention Morgan Car Group. (828) 575-9593**

They have set aside some group rate rooms starting Monday so you can come in early. (828) 575-9593

- Arrival date is officially Thursday Sept 25
- Car Show is Saturday Sept 27 and ends about 3 PM
- The group rate extends through Sunday morning Sept 28 if you do not wish to leave after the car show.

**Please also fill out this registration form via this link so I have an idea who is coming.** <https://forms.gle/HBvGu1F2ixyyXt4t5>

This will include if you are coming in early and what you are driving. This will also help organize early events and entries for the Autumn in The Mountains Car Show.

The link to register for the Car Show will not be posted until June or July and I will pass it along as soon as it is.

Dorothy Moore is offering to bring Morgan items from her and her late Husband Gene for an auction to benefit the club. That will be held Friday evening Sept 26. The hotel has comped us the meeting room for that.

I will continue to send out details.

Thanks again and see everyone this fall

Details from my original email below just in case.
