

Work in Progress

(Official song recorded in D)

Nashville Numbers

Intro: 5 4 1 (x4)

4 **5**
Well the past it may have broke me
4 **5**
I'm gonna use it all for Your glory
1 **5**
I was held down by things I'd done wrong
1 **5**
They've defined who I am for too long
4 **5**
The devil may have been using my shame
1 **5**
God's using mistakes to raise his name

(Pre)

2m
God Your courage it is in me
2m
So send me out to set the world free

(Chorus)

5 **4 1**
Oh my chains are gone and I'm letting them go
5 **4 1**
And I'm no longer defined by my mistakes of old
4 **5 1**
My purpose now is much higher than my own
5 **4 1**
Standing on my past it's not holding me down

5 4 1 (x4)

4 **5**
Well I know that my battles aren't over
4 **5**
With God beside me I can fight stronger
1 **5**
Whatever the devil throws my way
1 **5**
I know it can't stand against God's army
