## Technical Parameters

- Control link PSDK
- Non destructive installation of the original machine
- Plug and play
- Abnormal state alarm
- Non-power mounting
- Non-power throwing

## Product Advantage

Module size	80mm*75mm*40mm
Weight	70g
Power	15W MAX
Mount capability	1Kg MAX
Applicable UAV	M3 Industry edition
Installation way	Bottom non-destructive quick assembly,no modification to the aircraft
Lights configuration	10W Red and blue flashing lights 2 way

Connection control mode PSDK

## Applicable Model

### M3 Series
