INTEGRATED INSTITUTE OF DISASTER MANAGEMENT (IIDM)

(Registered Under Trust Act Book-IV/18/2018 TP/9594860/2018)

Integrated Institute of Disaster Management (IIDM)

Integrated Institute of Disaster Management (IIDM), a non-governmental organization, registered under Indian Trust Act with Registration No: Book IV 18/2018 TP9594860/2018, is working towards Disaster Management and Climate Change awareness and training for readiness, Climate Change Education, Risk Analysis, reductions and mitigation, planning and mapping, capacity building training to various line department officials and staff, college and school students. IIDM is also developing Community based First Responders and others as per risks, hazards and vulnerability locations.

It has a history of successful emergency situation management and disaster management plans since the year 2018 and is mandated to work in a purely secular manner in all spheres of its program activities.

IIDM gives priority only to the vulnerable areas & families belonging to under privileged, handicapped, women, children and the aged and infirm and other economically backward people. The service doesn't consider any discrimination regarding caste, language, religion, ethnic origin or political affiliation.

IIDM believes in supporting the community to become self-reliant, rather than making them dependent. Thus, IIDM has established itself as a professionally managed program in the field of Disaster Management and Climate Change impacts. It has gained significance in the region by setting up a tradition of documentation, accounting all activities and processes which offer evidence-based platform for learning and further planning.

Head of the Institution

**Tmt. MEENAKSHI RAJAGOPAL. IAS.,[R]
CHAIRPERSON cum ADVISOR - IIDM**

Mrs. Meenakshi Rajagopal is a 1984 batch I.A.S. Officer and has a legacy of serving society over the course of her illustrious career of 35+ years in the government. She is the daughter of an IAS Officer, Punjab cadre and is married to Mr Rajagopal I.A.S. (ex-Additional Chief secretary /Chief Information Commissioner of Tamil Nadu)

Prior to joining the civil services, Mrs Meenakshi worked with the RBI (Reserve bank of India) and was selected for the Indian Economics Services.

During her tenure as an IAS officer, she made significant contributions to the fields of higher and technical education, social welfare, rural development, skill training and small industries in Tamil Nadu. Mrs Meenakshi has particularly rich experience in training - specifically livelihood and skill training - for vulnerable sections of the society. During her last stint of 5+ years as Director general training of Tamil Nadu, she turned around the department's performance and won the first prize at the national level for conducting the maximum number of trainings in the country.

Mrs Meenakshi had the foresight to create financing options in the form of Joint Liability Groups for the trainees and enabled them to become entrepreneurs in their communities.

Future Plans:

We would like to make TamilNadu as one of the most resilient states in the country. It is feasible only when we involve all the communities via various information, education and communication (IEC) activities in all the districts.

It also aims at imparting various types of skill and livelihood training to the youth, dropouts, community etc especially to the vulnerable sections of society including fishermen community.
