| Intense red almost black color with violet hues. The nose develops aromas of plum and blackberry jam with spicy notes. In the mouth it is full and tannins are not lacking while remaining discreet and round. Excellent persistence and balance.                                                                                                          |          |
