Who's we are

About Us

Ina Tassel

Ina Tassel is a premium handmade tassel and accessories producer established in 2016, delivering high-aesthetic products with a professional approach for fashion, decorative, and corporate needs.

Vision

To establish Ina Tassel as a leading and trusted brand in the handmade tassel and accessories sector, delivering premium quality standards and a distinctive, refined design identity.

Core Values

Quality

Every product is crafted using selected materials and controlled processes to ensure consistent, refined, and premium results.

Accuracy

We prioritize accuracy at every stage, from design to production, ensuring all specifications, dimensions, and details are executed with precision and reliability.

Conformity

Each product is developed to align with the client's objectives, identity, and functional requirements, delivering solutions that are both relevant and purpose-driven.

Product & Services

Ina Tassel provides a comprehensive range of products and services designed to meet both individual and corporate needs, including:

- Handmade tassels crafted from nylon, polysilk, cotton, and other selected materials
- Braided cords and decorative ropes
- Fashion tassels for dresses, blouses, abayas, and fashion accessories
- Decorative tassels for interior styling and event applications
- Custom souvenirs and hampers for weddings, corporate gifting, and communities
- Custom design and production services tailored to client specifications

Our Material

Ina Tassel uses carefully selected materials to ensure quality, durability, and refined aesthetics in every product, including:

Nylon

Our tassel collection from Oeko-Tex certified nylon yarn. A strong and durable material with a neat structure, offering long-lasting performance and consistent color quality for various applications.

Cotton

A natural material that provides a soft touch and breathable quality, suitable for products with a timeless and organic character.

Polysilk

A smooth and flexible material with a soft texture and subtle sheen, ideal for designs that require an elegant and refined finish.

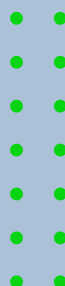

Wool

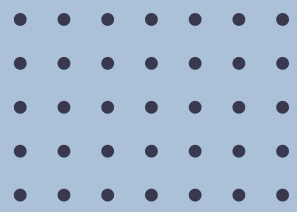

Our tassel collection from Oeko-Tex certified Wool yarn. A soft and textured material that adds natural volume and a distinctive handcrafted character, suitable for decorative and design-focused applications.
