# Wasserkocher / Water Kettle

Model: T-8806 (grey-white color)

## Technical Data:

- Capacity 1.7L
- Up to 2,200W Power
- BPA Free
- Concealed Heating Element
- Removable Filter
- Cool Touch handle
- Overheating Protection
- 360° Rotation Kettle
- Grey-White colour
- 12 PCS / Carton

## CE Certificates:

- SGS Switzerland

# Wasserkocher / Water Kettle

Model: T-8806 (violet-white color)

The advertisement is split into two panels. The left panel features a large image of the white and violet kettle with a digital display on the front. Text includes 'Maxhof®', 'Elektrischer Wasserkocher Mit Abschaltautomatik', '2200 W', '1,7l', 'NEUES DESIGN', and a 'Maxhof Original' seal. The right panel shows the kettle with its lid open, accompanied by four circular icons: 'Automatische Abschaltung', 'Kabelloses Design zum einfachen Befüllen', 'Verdecktes Heizelement', and '360° Standockel zum einfachen Bedienen'. Both panels include a 'BPA FREE' seal and a 'UNTERNEHMEN IM DEUTSCHEN BÜNDNIS' seal.

# Edelstahl Wasserkocher / Stainless Steel Kettle

Model: T-9011 (silver colour)

The image displays the product packaging and features for the Maxhof T-9011 stainless steel kettle. The left side shows the product box with the Maxhof logo, 'Silver & Gold' branding, and 'Edelstahl Wasserkocher' text. The kettle is shown in a kitchen setting. A '2200 W' power rating is highlighted. A 'NEUES MODELL' (New Model) badge is present. A '24 Monate Garantie' (24 Months Warranty) badge is also shown. The bottom left features a 'UNTERNEHMER IM DEUTSCHEN VERBUND' (Member of the German Business Federation) seal. The model number 'T-9011' is printed at the bottom.

The right side shows the kettle with three circular callouts highlighting features: 'Automatische Abschaltung' (Automatic Switch off), 'Kabelloses Design' (Cableless Design), and 'Entfernbarer Filter' (Removable Filter). The Maxhof logo and 'Silver & Gold' branding are also present. The model number 'T-9011' is printed at the bottom.

# Sandwichtoaster / Sandwich Maker

Model: HY-902 (black color)

The image shows the product packaging for the Maxhof HY-902 sandwich maker. The left side of the box is white with a dark blue header containing the Maxhof logo. Below the logo, the text reads 'Sandwichtoaster Mit Grillplatten'. A gold seal in the top right corner of the white section says '24 Monate Garantie'. The central image shows the black sandwich maker with a red and green indicator light, and a stack of sandwiches. A circular seal in the bottom left corner says 'UNTERNEHMEN IN DEUTSCHEM EIGENTUM' with a German flag. The model number 'HY-902' is printed at the bottom. The right side of the box is yellow and features the Maxhof logo, the product name 'Sandwichtoaster Mit Grillplatten', and three circular icons: 'Antihafbeschichtung' (anti-stick coating), 'LED-Anzeige' (LED indicator), and a small image of the sandwich maker with a sandwich.

# Sandwichtoaster / Sandwich Maker

Model: AK-C005 (white color)

The advertisement for the Maxhof AK-C005 sandwich maker is divided into two main sections. The left section features a white sandwich maker with a red and green LED indicator light on top. It is surrounded by images of sandwiches and a circular seal that reads 'UNTERNEHMEN IN DEUTSCHEM EIGENTUM' with a German flag. The right section is a light blue vertical panel with four circular icons and their corresponding features: a grill plate icon for 'Sandwichtoaster Mit Grillplatten', an anti-stick coating icon for 'Antihafbeschichtung', the LED indicator light icon for 'LED-Anzeige', and a compact size icon for 'Platz sparend'. A gold seal at the top right of the left section indicates a '24 Monate Garantie'.

# Waffelautomat / Waffle Maker

Model: HY-809 (black-stainless steel color)

The advertisement for the Maxhof HY-809 Waffle Maker is split into two vertical panels. The left panel features a dark blue header with the Maxhof logo, followed by the text 'Elektrischer Waffelautomat In elegantem Edelstahl Design'. A gold seal indicates a '24 Monate Garantie'. The central image shows the closed waffle maker, with a smaller image of it open and cooking waffles. A circular seal at the bottom left states 'UNTERNEHMEN IN DEUTSCHEM EIGENTUM'. The model number 'HY-809' is printed at the bottom. The right panel has a reddish-brown background with the Maxhof logo and the text 'Elektrischer Waffelautomat In elegantem Edelstahl Design'. It lists features with icons: 'Antihafbeschichtung' (anti-stick coating) with a waffle plate icon, and 'LED-Anzeige' (LED indicator) with a light icon. A small image of the waffle maker is at the bottom right.

# Digitale Küchenwaage / Kitchen Scale

Model: KE-A-SS (black-stainless steel color)

## Technical Data:

- Touch sensor
- Automatic Shut-off
- Max 5kg / 1g division
- 4 units (kg, lb, g, oz)
- Large LCD Display
- 2 x AAA batteries included
- Glas & Stainless steel surface
- Tara Function
- L x W x H: 230 x 160 x 25mm
- 8 PCS / Carton

## CE Certificates:

- STQ Testing Services, China

**STQ**

# Küchenwaage mit Schüssel / Kitchen Scale with Bowl

Model: B-05 (white color)

## Technical Data:

- Transparent bowl 600ml
- LCD Display 40 x 16mm
- Max 5kg / 1g division
- 4 units (g, oz, lb, tl)
- Automatic shut-off
- 2 x AAA batteries included
- Low battery/overload indication
- Tara Function
- L x W x H: 162 x 30 x 121mm
- 20 PCS / Carton

## CE Certificates:

- TCT, China

# Dampfbügeleisen / Steam Iron

Model: MG-2283 (violet-white color)

## Technical Data:

- Teflon Soleplate
- Up to 2,200W Power
- Self Cleaning Function
- Steam boost
- Continuous Steam
- Simple water-filling cup
- 1.8m cord length
- Dry ironing
- VDE plug
- 10 PCS / Carton

## CE Certificates:

- Bureau Veritas, Netherlands

# Smoothie Standmixer / Smoothie Maker

Model: WBL-005 (black, dark red and violet color)

## Technical Data:

- Transparent 1,000ml Cup
- Up to 1,000W Power
- 20,000 Rotation per Minute
- 800ml To-Go Cup
- Stainless Steel blades
- BPA Free Materials
- Personnel Drinking Lid / Seal Lid
- Dishwasher Safe Removal Parts
- Black color
- 2 PCS / Carton

## CE Certificates:

- Eurofins, Germany

# 2in1 Handstaubsauger / 2in1 Hand Vacuum Cleaner

Model: GR-937 (blue, green and pink color)

## Technical Data:

- Flexible / Detachable Cleaner
- Up to 600W Power
- 5m cord length
- HEPA Filter
- Dirt Capacity 0.5L
- Cyclone Technology
- Energy Efficiency Category A
- Product size 600 x 180 x 125mm
- Blue Color
- 6 PCS / Carton

## CE Certificates:

- Eurofins, Germany

# Zyklon Staubsauger / Cyclone Vacuum Cleaner

Model: MG-1160 (white-grey and red-grey color)

**Maxhof®**

MG-1160
