## Goethe-Zertifikat B2

In the B2 German courses, you will learn to understand the basic idea of challenging texts: e.g. specialist texts from a particular field.

You will...

be able to communicate spontaneously and without problems with native speakers of German.

be able to clearly formulate your own opinion and the reasons for it.

be able to express facts from the respective field of interest or subject without difficulty.

In a B2 German course in Berlin you will only be taught a few unknown structures with regard to German grammar, instead the grammar you have already learned at B1 level, will be intensified.

In Kapitel Zwei Berlin, the B2 level is divided into the levels B2.1 and B2.2 according to the Common European Framework of Reference for Language Learning. In the following section you will find out what we focus on.
