Class Structure

Jtute offers both **individual** and **group** tutoring sessions, tailored to meet each student's specific needs. Pricing plans for both options are provided on the next page.

All classes are conducted by highly experienced tutors using our in-house materials, which are designed in alignment with the Australian curriculum.

To support students' learning and accelerate their progress, additional homework may be assigned after each class. Students undertaking VCE subjects may also receive past exam papers, notes, and CAS tutorials to aid their preparation.

Class durations vary by year level:

- Years 1–6: **1 – 1.5 hours per week**
- Years 7–9: **1.5 – 2 hours per week**
- Years 10–12: **2 hours per week**

Additional revision sessions may be offered before exam periods for various year levels. These sessions are optional, and students or parents can choose whether to attend.

Scheduled classes will be displayed on Google Calendar, with an email reminder sent out one day before each session.

All learning materials, including classwork, homework, and supplementary resources, will be stored in a designated shared drive for easy student access.

Payment reminders will be sent directly to parents contact number (SMS or Whatsapp). All payments must be completed at least 24 hours before the scheduled class.

All classes will be conducted via Zoom, with the meeting link attached in the Google Calendar invite. This link will remain the same for all classes.

Lesson Rescheduling & Cancellations

We understand that sometimes things may not go as planned. To reschedule or cancel a session, please contact your tutor directly at least 24 hours PRIOR to the session. Else, you may be charged the full cost of the session.

What happens if I can't make it to class?

Individual Classes

Students enrolled in one-on-one classes may reschedule their sessions within the same week, subject to the tutor's availability. Rescheduling should be arranged directly with the tutor.

Group Classes

To ensure fairness for both students and tutors, classes will still proceed as long as other students are available. The payment made for that class will be carry over to the next billing cycle for students who are absent.

Students are encouraged not to miss classes as they will be responsible to catch up on the progress by themselves.
