

## Accessibility Statement

**ReCon-X™** is committed to ensuring digital accessibility for all users, including individuals with disabilities. We are continually working to improve the user experience for everyone and to apply relevant accessibility standards to the best of our ability.

### Our Commitment

We strive to make the ReCon-X™ website accessible and usable by a broad audience, regardless of technology or ability. Our goal is to align with generally recognized accessibility best practices, including applicable portions of the Web Content Accessibility Guidelines (WCAG).

### Accessibility Features

Where reasonably possible, our website aims to:

- Provide clear, readable text with sufficient color contrast
- Support keyboard navigation
- Use consistent structure and labeling
- Maintain compatibility with common assistive technologies

### Ongoing Improvements

Accessibility is an ongoing effort. As our website evolves, we continue to evaluate and improve accessibility features to address known issues and enhance usability.

### Feedback & Assistance

If you experience any difficulty accessing content on this website, or if you have suggestions for improvement, we encourage you to contact us so we can assist you and address the issue promptly.
