Dear 83PTeTA,

My name is Jocelyn Goldstein of 83 Park Terrace West, Apt. 6F and I would like to join the tenants association.

We have been harassed by Hamdi, Joey and Lazer.

1. Stating that we owe them rent that has already been paid.
2. Withholding rent envelopes and statements
3. Sexually harassing text messages sent to my phone from Lazer, (please see attached) which we believe to be retaliation for a letter that we sent to Hamdi. We called the police after receiving these text messages.

I'm so so sorry
