Good morning Dr. Scott,

I hope all is well with you. I am writing to let you know that our office will not be taking further action on the matters that you have brought to our attention. This decision was made following conversations with your previously retained counsel on your behalf, our two in-person meetings where you presented evidence and argued your position, as well as a review of documents you have previously provided to our office. I hope that you remain well. If in the future you believe you are a victim of a crime, do not hesitate to reach out to NYPD who have the expertise and mandate to investigate alleged crimes.

Sincerely,

ADA Grinberg
