Good afternoon,

Can you please resupply the password needed to unlock the word document?

Also, our understanding was that the newly shared files contained items already provided to our office in your previously provided thumb drive. Let me know if that is not the case.

ADA Grinberg

Please see attached. The pw is the same as before and has been sent to ADA Taylor's voicemail.

Once you read the Word document, you will understand much more my caution, unless you notified the opposing party of your decision personally.

Sincerely, Dr. Scott
