**100% Pure, Natural,  
Raw & Unprocessed**

## Potential benefits

- May support digestive health
- Rich in natural antioxidants
- Known for its soothing properties
- Specific benefit related to the flower source - e.g., (Mustard)  
May have warming properties

## Achala Organics' honey's sourced from Haryana

Here's each honey variety would have its own characteristics and benefits:

- **Mustard Honey:** Focus on the subtle pungency, potential warming properties, and digestive support.
- **Eucalyptus Honey:** Highlight the woody, slightly medicinal flavor and potential respiratory benefits.
- **Ajwain Honey:** Emphasize the strong, spicy flavor and traditional use for digestive and respiratory relief.
- **Dhaniya Honey:** Describe the sweet flavor with spicy/herbal notes and potential digestive and antioxidant benefits.
- **Litchi Honey:** Focus on the sweet, delicate, fruity flavor and its antioxidant properties.
- **Rosewood Honey:** Highlight the mild, woody, floral taste and potential cardiovascular and digestive benefits.
- **Multi Flora Honey:** Emphasize the diverse flavor profile and broad range of potential health benefits due to the variety of floral sources.
- **Neem Honey:** Focus on the distinct, slightly bitter taste and its potent antibacterial and skin-related benefits.
- **Jamun (Black Ber) Honey:** Highlight the less intense sweetness and potential blood sugar management benefits.
- **Babul Honey:** Emphasize the mild, sweet, delicate flavor and slow crystallization.
- **Sunflower Honey:** Focus on the bright, golden color, sweet and slightly tangy flavor, and energy-boosting properties.
- **Tulsi Honey:** Highlight the distinct herbal flavor with minty notes and its immune-boosting and stress-relieving properties.
- **Desi Bees Honey:** Emphasize the natural sourcing from local bee species and the diverse pollen content and potential local allergy relief.

**Available quantity:** 250g, 500g, 1kg

**Price check n shop:** <https://wa.me/c/919535501909>

**How to Use:** Enjoy as a natural sweetener in beverages, drizzle over food, or consume directly for its potential benefits.

**Storage Instructions:** Store in a cool, dry place away from direct sunlight. Natural crystallization may occur and does not affect the quality. To liquefy, gently warm the jar in a bowl of warm water.

**Chemical Free**

## Organic Jaggery sourced from Hassan, Belgavi and Uttar Pradesh

Organic jaggery is a traditional, unrefined sugar made from the concentrated juice of sugarcane or palm sap. The "organic" label signifies that the sugarcane or palm was grown without the use of synthetic pesticides or fertilizers.

**Premium**

### Jaggery powder

Unlike refined white sugar, organic jaggery retains essential minerals and vitamins present in sugarcane juice, including iron, magnesium, potassium, phosphorus, and calcium. It also contains trace amounts of B vitamins and zinc.

By purifying the blood, organic jaggery may contribute to healthier and clearer skin.

**Premium**

### Jaggery cubes

Organic jaggery is believed to stimulate digestive enzymes, promoting better digestion and helping to relieve constipation. It may also act as a diuretic.

It has a lower glycemic index compared to white sugar, leading to a slower release of sugar into the bloodstream.

**Premium**

### Jaggery bucket

Organic jaggery offers a more nutritious and natural way to sweeten foods and beverages compared to refined sugar, providing several potential health benefits due to its retained minerals, antioxidants, and the absence of harmful chemicals.

However, it should still be consumed in moderation as part of a balanced diet.

# Herbal Products

Energy drink is a great immune booster energy drink. It is formulated With a balanced combination of Amla, Beetroot, Carrot, Mint and Ginger, which are natural sources of vitamins and possess high healing properties.

**Herbal Tea**

## Potential Benefits of Herbal Energy Drinks

Plant-based ingredients are often rich in antioxidants, which help protect the body against oxidative stress and inflammation. This can contribute to overall well-being and long-term health. Herbal energy drinks typically avoid artificial sweeteners, colors, and preservatives, which are concerns for some health-conscious consumers.

**Lemon Tea**

### Lemon Herbal Tea

The beverage helps in improving digestion and guides towards smooth and flawless skin. The antibacterial and antiseptic properties protect your skin from infections.

**Panchamrita**

### Panchamrita Energy Drink
