Our 11th Studio Tour

The last full weekend of February means it's time for the annual SOKO Studio Tour! Mark your calendars for February 21 & 22, 2026.

Most tour locations are on Mamalahoa Highway (Route 11) in South Kona. Just follow the yellow signs, the map at left, or use Google Maps.

Visit 18 artists in 10 stops

Our tour features 18 artists who live and/or exhibit in South Kona. We are inspired by one another and the natural beauty of Hawaii Island. Working together creates new ways to share our visions with you.
