QUALITY CUSTOM DOORS

PRODUCT CATALOG

About us

Established in 2013, Quality Custom Doors is a business built on relationships, trust, and outstanding customer service. Manufacturing great quality and custom-made cabinet doors and drawers is our goal. Although wood-working is our specialty, here at QCD we strive on building partnerships in the industry no matter how big or small. We look forward to providing you with excellent service and products for all your cabinetmaking needs.

PLACING AN ORDER

- There are a variety of ways to place an order with Quality Custom Doors:
 - Call/text the office: (909) 214-9000
 - E-mail: Qualitycustomdoors@gmail.com
 - Fax: (909) 930-1701
 - Contact your sales representative
- New customers are required to provide a 50% deposit when placing an order. Orders will not be processed until the deposit has been received and cleared by the bank. The remaining balance will be due in full upon the day of delivery.
- Lead times are subject to change due to a variety of factors:
 - Standard cope and stick doors are anywhere from 5 to 7 business days.
 - Mitered and applied molding doors from 7-10 business days.
 - Any special or exotic wood orders will not have a set delivery date until we have received the materials. Once materials arrive, we will inform the customer and give them the eta.
 - Orders can be rushed for an additional rush fee. (Contact office for estimated lead time and rush fee)
- Any changes made to orders already in production are subject to fee.
- Changes and add-ons may also delay the original delivery date provided.
- Prices are subject to change.
- Quotes are validated for 15 days.

WARRANTY

All products are guaranteed up to 6 months from the day of completion.

- Warranty will be voided for any of the following:
 - Doors exceed 25" in width.
 - Doors exceed 72" in height.
 - Cope and stick door over 48" and do not have a center rail.
 - Mitered doors exceeding 48" in height. (Center rails are available for an extra fee)
 - Any modifications made to the doors already finished.
 - Any door with a frame size under 2"

Doors must be finished or sealed 7 days after the completed date to avoid any warping or cracking in joints. The warranty will begin to take place the day the order was completed.

- There will be some tolerance for anything that is considered defective.
 - Any warpage under 1/4" will not be considered defective.
 - Doors have a tolerance of 1/16" in squareness, width, and height.
 - Some wood species will have color variations that will not be considered defective.
- Any mistakes made by Quality Custom Doors will be remade to be delivered in the following 3 business days.
- Any mistakes made by the customer can also be remade promptly however a rush fee may apply.
- Upon delivery, items should be inspected for any damages or inconveniences prior to signing the invoice.
- Any mistakes, damages, or claims are recommended to be reported to either the office or your sales rep within 3 days of delivery to have the problem solved.
- Quality Custom Doors does not guarantee doors or solid boxes against any natural wood factors such as expansion and contraction.
- Jobs that will be near any beach or desert areas should be known wood factors will take effect. Please notify your sales representative of any jobs going to those areas so we can use proper products to help any environmental factors.
- Quality Custom Doors will replace or fix any of the imperfections or mistakes made as the warranty applies. We will not be liable for any other fees.

Please note: Wood grain and wood color will vary due to natural causes. Keep products away from direct sunlight to avoid any color changes in the wood. Wood species will vary from the product images shown in this catalog due to the printing process.
