GROWING WITH GRACE organics Celebrating 25 years!

Growing with Grace celebrated it's 25th Anniversary on November the 8th, with a get together of customers, members, volunteers and staff past and present, for an evening of special music from the wonderful Sam Lawrence and the Batty Moss Ceilidh band (who kindly volunteered their time and talent!), dancing and food...and good company! We were delighted to welcome old friends and new. And of course, there was a carrot birthday cake to cut, and founder-member and director Neil Marshall did the honours!

Thank you to all who joined us!

25 for 25 Appeal:

We are thrilled and hugely grateful for your amazing support – donations and lovely messages for our appeal – particularly when finances are tight for so many. Your uplifting messages have reminded us all that we are part of a community of people who care deeply about where our food comes from and how it is produced. And your generous donations (totalling over £11K this time, 85% of our aim over the past 2 years for £25K) will help us to move towards a greener and more resilient business

Growers' update

As we move into days of less than 10 hours of daylight and the greenhouses start to shut down for the winter, there (at the time of writing!) are still limited quantities of crops coming out – leeks, kale, spinach. The forecasted frosts this coming week will most likely put an end to their season! But crops are already being planted for next spring – broad beans, onions, garlic to start with, with more to come!

Christmas is coming ...

Lots of lovely festive food - from fine organic wine and the best organic, ethical coffee and chocolate to vegan panettone and luxury mince pies - available in our farm shop and online at the moment.

On Saturday 6th December we will be serving mince pies and warm, spicy punch in the Shop.

Come and see what's on offer!

Thank you to those of you who have already switched your delivery payments to Stripe over the past 5 months. We now need to terminate our contract with Windcave as we are currently paying both financial providers for their services - having all customers on Stripe represents a significant saving to the operating costs of Growing with Grace.

All delivery payments from the beginning of December will go through Stripe – you will not be able to pay via Windcave after the end of November.

To update payment details:

- please log in to your account.
- Towards the top right of the page there is a button that says "My Account" – click on this.
- Then, on the right hand side of the page, underneath your last ten transactions, you will see two orange buttons - click the one that says "Update Payment Details" and follow the instructions.

Tom and the team will be on hand to help if you have any problems – call them on 015242 51723 or email farm@growingwithgrace.org.uk
