

JuteNaturals

Jute Bags & Cotton Bags
Exporter from India

OVERVIEW

Jute Naturals is an **Uttar Pradesh, India** based sustainable lifestyle brand founded by **M/S FABCON GLOBAL SOLUTIONS**, dedicated to promoting eco-friendly living through handcrafted jute products. With a vision to reduce plastic use and support traditional artisans, Jute Naturals offers a wide range of natural, biodegradable, and stylish products including bags, home décor items, and accessories — all made from high-quality jute.

Driven by a passion for sustainability and innovation, the founders aim to blend traditional craftsmanship with modern design to create products that are both environmentally responsible and aesthetically appealing. Jute Naturals stands as a symbol of conscious living, empowering local communities while offering customers durable and eco-conscious alternatives.

Our Mission

To create sustainable, eco-friendly jute products that promote a greener lifestyle, support local artisans, and reduce plastic usage—one natural choice at a time.

Our Vision

To become a leading brand in eco-conscious living by making jute a preferred choice worldwide for stylish, sustainable, and responsible products.
