About the Organization:

The Centre for Research and Innovation

The Centre for Research and Innovation New Delhi India has been established in March 2024. The aim of this division is to promote Research and Innovation Culture in India. The Delhi in national capital has population from every part of country, the motive to establish this division to start innovative projects to utilize expertise from whole country.

The Chamber of Research and Innovation India

CRII's vision is to help India to advance towards becoming research oriented, inventive and creative. Further, to become a global leader in technologies, research and innovations that give the opportunity for everybody to contribute to society thus enriching lives locally to globally. CRI promotes the Medical, Science and Engineering & Technology related latest research and innovation to be discussed at a common platform and through interactions amongst the researchers across the world.

Conference Objective:

International Conference on Research and Innovation in Humanities, Social Sciences and Management Studies aims to bring together the experts from academic institutions, industries, leading scientists & scholars to exchange & share their experiences & research results about all aspects of benefits for society. This conference has also focused on one special theme on Unity in Diversity as this conference is organized in national capital New Delhi. This hybrid conference aims to facilitate close interaction for exchange of views & dissemination of knowledge and discuss the practical challenges encountered and the solutions adopted in the specified areas.
