

## Net Zero Commitment

**Scope:** This commitment covers emissions associated with the goods and services supplied to the NHS within the UK (Scopes 1 & 2 and relevant Scope 3 categories).

**Target:** Shieldical Ltd commits to achieve Net Zero greenhouse gas emissions by 2045 for NHS-related activities, with an interim target to reduce emissions by 50% by 2030 against our forthcoming baseline year.

**Key measures:** transition to renewable electricity; energy-efficient operations; low-carbon logistics and consolidated shipments; reduced and recyclable packaging; supplier engagement and due-diligence on carbon; business-travel controls and virtual-by-default meetings; data collection and annual disclosure.

**Governance & reporting:** Progress will be reviewed at Board level and reported annually on our website, alongside our Carbon Reduction Plan (where applicable).

**Approval:** Approved by the Board of Directors.
