How to solve Sudoku – step by step

Meet the instruments in this puzzle:

clarinet

grand piano

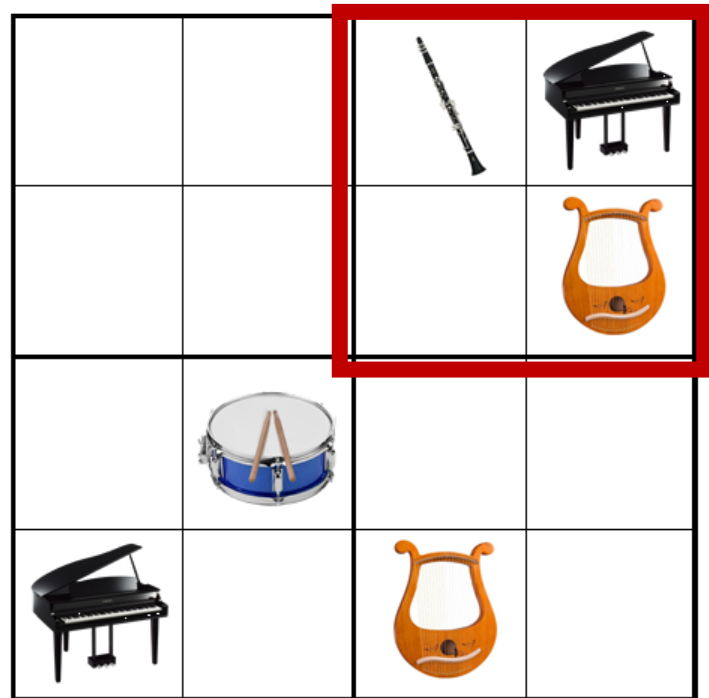

lyre

snare drum

👁️ Step 1.

Look at the small 2x2 square. The **snare drum** is missing. Cut out the snare drum and **paste it in the correct spot**.

Step 3.

Mark the spaces where **a certain instrument** can't go. That will help you figure out **where the last ones fit**. For example, the green-framed space is perfect for **the last grand piano**.

Step 4.

Now check the whole row. The **clarinet** is missing. Cut it out and **paste it in the right place**.
