

NANJING PRECISION ENGINEERING CO., LTD

OEM, ODM, CUSTOMIZED

- . CNC Machining Services**
- . Sheet Metal Fabrication**
- . CNC Tube Bending Services**
- . ISO 9001**

NJPE Advantages:

- 1.One-Stop Service**
- 2.Engineers with 15+ Years' Experience**
- 3.Free Design for Technical Drawings**
- 4.Free Design for Tooling and Fixtures**
- 5.Free Design for Inspection Methods**
- 6.100% Refund or Replace after Sale**

PART 1 CNC MACHINING SERVICES

MAX DIAMETER: 600MM
MAX LENGTH:12000MM

- . CNC Turning Service
- . CNC Milling Service
- . CNC Turning and Milling Composite Processing Services

Stainless Steel CNC Milling Base with 19 Mini Holes (M2, M3, and M4)

CNC Machining Part

Large CNC Machining Parts

Steel

Steel Alloy

Stainless Steel

Aluminum

Brass

Titanium

MAX DIAMETER: 600MM

MAX LENGTH: 12000MM

Large CNC Machining Parts

Steel

Aluminum

Steel Ally

Brass

Stainless Steel

Grey Steel

MAX DIAMETER: 600MM
MAX LENGTH: 12000MM

CNC Machining Parts

**Min Dia:3mm
Max Dia:800mm
Max length: 12000mm**

FEED AUGER SCREW

EXTRUDED AUGER SCREW

The material can be stainless steel, Chrome alloy, and so on.

CNC Machining Parts

SHAFTS:SPLINE, KEYWAY, SOLID,HOLLLOW, SLOT

The material can be carbon steel, chrome alloy, steel alloy, stainless steel, plastic, and so on.

Auto Part OEM

Machinery Parts OEM

CNC MACHINING PARTS: CUSTOM BOLTS, NUTS, SCREWS, PINS, HARDWARE, ETC.

The materials are steel, steel alloy, stainless steel, aluminum, and brass

PART 2

SHEET METAL FABRICATION

Laser Cutting, Bending, Welding

Materials: Steel, Steel Alloy, Stainless Steel, Aluminum, Brass, Titanium

Stainless Steel

Fabrication Assembly Manifold

Sheet Metal Fabrication

Sheet Metal Fabrication

Stainless Steel Manifold with 6 Ports
@ **1200PSI** Anti-leak Testing

Stainless Steel **Tank @850 PSI**
Anti-leak Testing

Sheet Metal Fabrication

Titanium Bracket Fabrication, Min Thickness:0.8mm

Aluminum

Sheet Metal Fabrication Case

Stainless Steel

Fabrication Grip

Steel Pipe

Fabrication Welded with Flanges

15

5/28/2024

PART 3

CNC TUBE (PIPE) BENDING SERVICES

Materials: Steel, Steel Alloy,
Stainless Steel, Aluminum,
Brass, ETC.

Max Diameter: 200mm
Max Length: 6000mm

Auto Parts, Equipment Parts, Machinery Parts

Steel Tube Bending Fabrication with
Black Powder Coating

Aluminum Square Tube Bending
Fabrication with clear anodization

CNC TUBE BENDING PARTS TUBE BENDING FABRICATION

Steel Tub Bending
Fabrication with **Zinc Plating**

Heating Equipment Component

Steel Tube Bend Fabrication
with **Black E-coating**

Auto parts

CNC TUBE BENDING PARTS AND WELDING FABRICATION

**Steel Tube Bending Part
with Gold Plating**

**Brass Tube Bending Part
Medical Equipment Part**

CNC TUBE BENDING PARTS

Aluminum Square Tube Bending Fabrication
Robot Component

Stainless Steel Tube Bending Fabrication
Brewing Equipment Component

CNC TUBE BENDING PARTS

TUBE BENDING FABRICATION

Stainless Steel Pipe Bending Part

Auto Part-Exhaust Pipe

Mild Steel Tube Bending Part

Engine Part

CNC TUBE BENDING PARTS

Stainless Steel Tube Bending Part
Cooling Nozzle of CNC Machine Center

Complex 3D CNC Tube bending

Steel Tube Bending with Flaring End
Engine Part Assembled with Sleeves and nuts

CNC TUBE BENDING PARTS

Aluminum Tube Bending Part
with Chrome Plating

Steel Tube Bending Part
Welded with Sleeve

CNC TUBE BENDING PARTS

PART 4

CNC STAMPING SERVICES

Materials : Steel, Steel Alloy, Stainless Steel,
Aluminum, Brass, Titanium

CNC Stamping, Deep Draw Stamping,
High Speed Stamping, Spinning

PART 5

FORGING SERVICES

Nanjing Precision Engineering Co., Ltd

www.njprecisionengineeringtech.com

The material can be steel, steel alloy, stainless steel, aluminum alloy, and brass.

Contact : Cindy Fan, Email:Cindy@njprecisionengineeringtech.com, WhatsApp:86-13813884518

PART 6

CASTING SERVICES

Steel

Steely Alloy

Stainless Steel

Aluminum

Brass

Bronze

**SAND CASTING, GRAVITY CASTING, WATER GLASS CASTING,
WAX-LOST CASTING, INVESTMENT CASTING**

Invloed Feilds

Hydrogen System

AI Solutions

Auto Parts

Vehicle Parts

Valve Parts

Pump Parts

Machinery Parts

Hydraulic System

Transmission System

Vacuum System

Oil & Energy Equipment

Medical Equipment

Industrial Automation
