NOURA AZZAM

GRAPHIC DESIGNER

6 years experience

PROFESSIONAL SUMMARY

Nora Azzam is Egyptian, I am 29 years old, and I live in the capital, Cairo

Deadline–driven Graphic Designer focused on overseeing projects from concept through final delivery. Successfully creates brand messages, strategies, and key graphic productions. Resourceful and hardworking with vendor sourcing expertise and empowering leadership skills illustrated over 6 years of industry success

I am currently aspiring to work more and better part-time Or full – time remote and I would love to work with a smart and organized team I am good at communicating well at remote work, and I adore punctuality in my work, because this gives me confidence in myself first, and the managers gains great confidence in me

WORK STORY

Graphic Designer alan suadi agency

I worked here on the full Branding for Karim's Hotel And simple work for campaigns on social media My work was with an integrated remote work team, and this work was very organized 7 hours a day, except for Friday and Saturday

Graphic Designer Healthy Clinics

One of the most enjoyable experiences for me was that it was a medical complex for more than one specialty. I worked with them on social media and print designs. I worked with them remotely for an extended period with an outstanding team

Graphic Designer - Reels maker Dovacare

Company Overview: It is a medical products company in the Kingdom of Saudi Arabia

Here my work was more diversified because we worked together on social media designs, printing, packaging, short videos, and sliders designs for their website

I worked with a very good team remotely

It is a medical products company in the Kingdom of Saudi Arabia

Graphic Designer Misk Technology Solutions company

They are a technology and web development company based in Saudi Arabia. I worked with them remotely with an integrated team. My work specialized in social media and visual identity design sometimes, printing less often, and file editing

SOFTWARES

Graphic Designer Afraah Agency

A distinguished Saudi company specializing in organizing celebrations I worked with them on print designs and art presentation files, but extensively. There was no dedicated team, and work was done remotely

One of the most important projects I worked with them on was the Saudi Electricity Company's sixth football celebration

I designed all the designs for this celebration, from the medals to the players' trophy plaza

A distinguished Saudi company specializing in organizing celebrations

Graphic Designer - Reels maker Omran

A company specializing in sanitary ware, established many years ago, with multiple branches across the Kingdom of Saudi Arabia

My work with them involved designing graphics and videos for advertising campaigns and creating reel designs for social media platforms

I worked as part of an organized team, and my work was remote and contracted, not full-time or part-time

A company specializing in sanitary ware, established many years ago, with multiple branches across the Kingdom of Saudi Arabia

Graphic Designer - Reels Maker - Content Creator Eyen Optics

It is a company specialized in the field of optics, established many years ago and has various branches in the Kingdom of Saudi Arabia My work with them was in graphic design and video for advertising campaigns and reels on social media designs, as well as creating monthly content for social media platforms throughout the month and publishing and following up on posts daily

My work was with an organized work team and my work was remote in the form of tasks and part-time

It is a company specialized in the field of optics, established many years ago and has various branches in the Kingdom of Saudi Arabia

Graphic Designer - Reels Maker AlDakheel oud

It is a company specialized in the field of perfumes. It was established many years ago and has more than 100 branches in the Kingdom of Saudi Arabia and many Arab countries

My work with them was in graphic design and reels on social media designs, as well as the production of many printed materials such as branch banners, cards and posters for their participation in various exhibitions

My work was with an organized work team and my work was remote in the form of organized tasks monthly

It is a company specialized in the field of perfumes. It was established many years ago and has more than 100 branches in the Kingdom of Saudi Arabia and many Arab countries

EDUCATION

Minia University Bachelor of Art 2018

I graduated from Mania University and studied there for 4 years in Arts, and my grade was good, and it was a really enjoyable study with the university's distinguished professors
