

NOURA AZZAM

GRAPHIC DESIGNER

6 years experience

Profile

Nora Azzam is Egyptian, I am 27 years old, and I live in the capital, Cairo. I work in the field of design remotely for 6 years. I worked mostly with Arab countries, especially the state of Saudi Arabia. I also worked for a while in freelancing on Fiverr with sellers on Amazon platform. I am currently aspiring to work more and better part-time Or full remote and I would love to work with a smart and organized team I am good at communicating well at remote work, and I adore punctuality in my work, because this gives me confidence in myself first, and the managers gains great confidence in me.

Education

Minia.edu.eg / 2014-2018

Bachelor of Arts

I graduated from Minia University and studied there for 4 years in Arts, and my grade was good, and it was a really enjoyable study with the university's distinguished professors

Work Experience

alan suadi agency / 2020-2022

Graphic Designer

I worked here on the full Branding for Karim's Hotel And simple work for campaigns on social media My work was with an integrated remote work team, and this work was very organized 7 hours a day, except for Friday and Saturday .

Healthy Clinics / 2020-2022

Graphic Designer

One of the most enjoyable experiences for me is working with this Saudi entity. I worked with them on social media designs and print designs. I worked with them remotely for a long term with a distinguished team.

Dova Care / 2023-2024

Graphic Designer

It is a medical products company in the Kingdom of Saudi Arabia. Here my work was more diversified because we worked together on social media designs, printing, packaging, short videos, and sliders designs for their website, and I worked with a very good team remotely.

Misk Technology Solutions company / 2022-2023

Graphic Designer

It is a company based in Saudi Arabia. I worked with them remotely with an integrated work team. My work in it was specialized in social media and visual identity at times, print at times are few, and editing files .

Afraah agency 2022/ 2024

Graphic Designer

I worked with them on print designs only, but in abundance, and there was no work team, and the work was remote, and it is a distinguished Saudi company in holding celebrations, and one of the most important things I worked on with them was the Saudi Electricity Company's sixth football celebration . I designed all the designs for this celebration, starting with the medal to the coronation arena for the players .

Omran / 2023-2024

Graphic Designer - Reels Maker

It is a company specialized in the field of sanitary ware, established many years ago and has various branches in the Kingdom of Saudi Arabia. My work with them was in graphic design and video for advertising campaigns and reels on social media designs . My work was with an organized work team and my work was remotely in the form of a tasks but not part time or Full time .

Eyen Optics / 2024-2025

Graphic Designer - Reels Maker - Content Creator

It is a company specialized in the field of optics, established many years ago and has various branches in the Kingdom of Saudi Arabia. My work with them was in graphic design and video for advertising campaigns and reels on social media designs, as well as creating monthly content for social media platforms throughout the month and publishing and following up on posts daily. My work was with an organized work team and my work was remote in the form of tasks and part-time.

AlDakheel oud / 2024-Now

Graphic Designer - Reels Maker

It is a company specialized in the field of perfumes. It was established many years ago and has more than 100 branches in the Kingdom of Saudi Arabia and many Arab countries. My work with them was in graphic design and reels on social media designs, as well as the production of many printed materials such as branch banners, cards and posters for their participation in various exhibitions. My work was with an organized work team and my work was remote in the form of organized tasks monthly.
