2. CREDIT GUIDE

Introduction

This Credit Guide (CG) provides you with important information about us and our Credit Representatives, who may provide you with credit services described in the CG.

As well as giving you important information that will help you decide if you want to use any of these services, it provides important information about:

- who we (Licensee and our Representatives) are;
- the credit services we offer to help you evaluate and make an informed decision about whether to use the services described in this CG;
- the remuneration that we and relevant persons receive for the services;
- any arrangements which may influence our services to you;
- our Privacy Statement and
- how we handle your complaints if you are not satisfied with the services provided.

Credit Assistance

Our Credit Representatives are authorised to engage in credit activities including providing credit assistance on behalf of Licensee. They can provide you with the following Credit Assistance:

- Give you information about loan/lease products or related services
- Consider whether you are eligible for a loan or lease or any related service you requested
- Suggest a suitable credit contract, an increase to your credit limit and/or that you retain your existing credit contract
- Assist you to apply for a credit contract or an increase in your credit limit
- Recommend a suitable consumer lease or to retain your existing consumer lease
- Assist you to apply for a consumer lease.

Our Responsible Lending obligations to you

We are obliged to ensure that any loan or increase to a loan we help you to obtain or any lease we help you enter is not unsuitable for you. To decide this, we will need to ask you some questions in order to assess whether the loan or lease is not unsuitable, and within your best interests.

To make this assessment, we must make reasonable enquiries about your objectives and requirements and for the credit contract or credit limit increase. We must also make reasonable enquiries about your financial situation and take reasonable steps to verify this information.

It is important that the information you provide us is accurate, complete and up to date, as if we proceed on incomplete or incorrect information, you may be in breach of your legal obligations to the lender.

We will not be able to give you Credit Assistance if our assessment shows that:

- you will not be able to meet the proposed repayments without substantial hardship, or
- the loan or lease will not meet your objectives and/or requirements.

We will prepare a written Statement of Credit Assistance. You can ask us for a copy of this Statement any time up to seven years after we provide you with Credit Assistance. To request a copy please contact us.

We will provide you with a copy:

- within seven business days after the day we receive your request, provided you make the request within seven years of the date of the Preliminary Assessment, or otherwise
- within 21 business days after the day we receive your request.

We have an obligation under the Anti-Money Laundering and Counter Terrorism Finance Act 2006 to verify your identity and the source of any funds. This means that we will ask you to present identification documents such as passport and driver licence. We will also retain copies of this information. We cannot provide you with Credit Assistance if you are unwilling to provide this information.

As a client, you may also be referred to any related or other company of which your broker may be a director or representative of, such as Accounting, Financial Planning, Real Estate, Insurance or Property Development. These industries operate under a different authorisation structure and the services provided are distinct from the services provided under mortgage broking. There is no obligation to utilise the referred services offered by your broker and you are welcome to compare services to those in the market prior to making any commitment.

Additionally, we may access various reports via our lenders such as credit or property reports. These services are offered free to brokers and we believe it does not influence our recommendations.

If any potential conflicts are noted during the assessment of the information you provided, these will be outlined on the Statement of Credit Assistance that will be provided to you prior to lodgement of your application to a lender.
