B: Reading Comprehension (16 Marks)

Read the following text carefully then answer the question below:

Big panda bears are beautiful animals. They look like American bears, but they are black and white. They have white heads with black fur around their eyes and ears. Their fur keeps their bodies warm in the cold weather. Big pandas live in forests in China. They mainly eat plants; their favourite one is bamboo plant which grows in China. But they sometimes eat small animals and fish.

There are many interesting things about pandas. One interesting thing is that they have six fingers, They help the pandas to eat the bamboo. They are also good at climbing trees. Pandas can do this because they have very strong legs. They can climb high up big trees to look for food.

Pandas are wonderful animals, but they are very scarce to find. We don't have a lot of them in the world because people catch them. They can't find enough food. This means they are in danger, and we should take care of them.

a) Choose the correct answer from a, b, c and d: (6x2=12 marks)
