written & directed by Sanchay Bose  
produced by Wajid Salim Rejai

director of photography Shahrunkhon Chavoda  
sound design Shucham Sengupta

editor Pankaj Kamdar  
associate producer S. Srinath

## SYNOPSIS

Set in Jabalpur, the film *Phas Gayi Jal Machri* (The Golden Catch) explores a community caught between vanishing lakes and creeping urbanisation. At its heart is Nitish, a young man drifting through fragmented work and fragile ambitions, while his father, an aging fisherman, still finds his way back to the lake. As the city surges ahead, daily life continues, stubborn and full of quiet, dry humour.
