

Beau Rivage

PLAY. STAY. UNWIND.

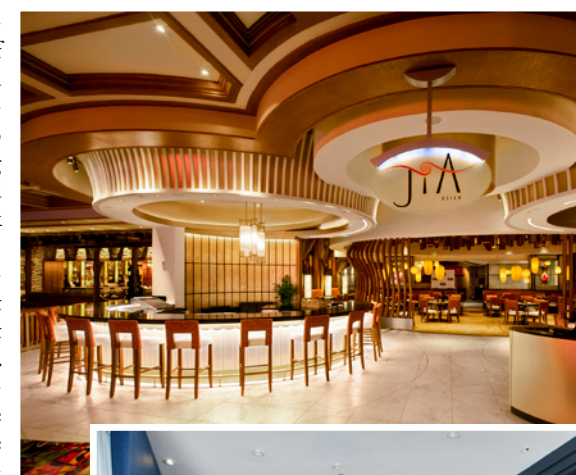

Maybe the winter weather has you dreaming of the beach. Maybe you need a destination that has something for everyone in the family to enjoy. Maybe you're just looking for something bigger, better and bolder to make this Spring Break one to remember.

If that's the case, look no further than Beau Rivage Resort & Casino, the iconic beachfront destination in Biloxi, Mississippi. Part of the MGM Resorts International™ family, Beau Rivage has been thrilling guests since 1999, and it's only getting better every year. The resort recently unveiled a \$55 million remodel of its guest rooms, with new designs, upgraded amenities and state-of-the-art technology. All of the newly updated rooms stay true to the resort's sophisticated Southern style, offering stunning views of the Mississippi Gulf Coast or historic Biloxi and its Back Bay.

From the moment you step into the lobby and see its thousands of elegantly-arranged plants and flowers, you'll understand why Beau Rivage welcomed more than 3,330,000 visitors in 2021 alone. In addition to being recognized by Forbes Travel Guide Recommended, Conde Nast Traveler and Travel + Leisure, Beau Rivage is also the largest resort in the Southeast to receive the AAA Four Diamond award.

From shopping to dining, from the spa and salon to the golf course, the amenities offered at Beau Rivage mean your dream itinerary will practically make itself. The resort's retail promenade features luxury jewelry, boutique brands, unique gifts and artisan products. After your shopping spree, you can visit the lushly-landscaped tropical pool and enjoy a fabulous view of the Gulf. When you're ready for even more relaxation, be sure to make time for the nationally recognized, 20,000-square-foot spa and salon.

Hungry? BR Prime is the resort's signature steak and seafood restaurant, featuring prime grade steaks, fresh seafood and an extensive 3,000-bottle wine collection. At Jia, the award-winning Pan-Asian restaurant, you'll be greeted by an inviting, Zen-inspired space offering four distinct dining experiences: sushi, teppanyaki, a noodle bar and traditional dining.

For the adventure-seekers, Topgolf Swing Suite's next-gen simulator bays bring excitement and fun for golfers and non-golfers alike with a variety of virtual games. If you're after a more classic golfing experience, the Tom Fazio-designed championship golf course, Fallen Oak, is exclusive to guests of Beau Rivage and has served as home to a PGA TOUR Champions event for the last decade. Beau Rivage Arcade features the hottest video and redemption games, along with fantastic prizes including PS5, Xbox, Nintendo Switch, electric guitars and more.

Sports fans and music lovers are also welcome. In addition to Wednesdays and Thursdays at the swanky Black Clover Lounge, Beau Rivage offers live entertainment nightly at EIGHT75. BetMGM Book Bar & Grill has more than 100 HD screens, including a 24-foot wide, 14-foot tall video wall, and six sports betting windows, kiosks and BetMGM app allow for 24/7 sports betting.
