“Institutional planning is a milestone in the journey towards the improvement of education”

The School at a Glance:-

The School at a Glance:-

Raghubir Singh Memorial PM SHRI Govt. Model Senior Secondary School, ANN is situated at ANNI-JABAN-NAGDHAR Road, 1/2 Km. outside sounds and fury of Main Bazaar in a calm and quite environment. The school has a spacious Playground, beautiful buildings and campus with attractive looks. The school campus is surrounded by other buildings of residential colony and beautiful pine forests up on the mountainous terrains. Being situated at the base of high mountains around it, here average sunshine in winter months is around 2 hours only. In summer i.e. May and June, atmosphere is very hot and dry. On the whole, climate of the place is quite extreme. Our school got the status of PM SHRI in Dec. 2023.

Population and their Main Occupations:-

Population of this town is about 3000 and that of the surrounding sub-villages is about 3500. About 1000 students come here to learn climbing down from the steep mountains of the valley. Range of distance from the school of these villages is between 0 to 8 Km.

Occupationally most of the people are orchardists, especially apple growers. Some of them are agriculturists and businessmen also. Therefore, mostly they try their best to render quality education to their children.

Other Activities in the School:-

NSS unit is functional in the school. NSS unit aware the community regarding social services so that social values be inculcated in the students. ECO-CLUB is also framed in the school with the co-operation of students and teachers. The club works for Environmental Protection and awareness about nature among the people. Consumer club is also organized in this institution. This club aware the students about rights and duties of the consumers. Monthly quiz contests is also organized in the end of every month.

NCC unit is also functional in the school. The aim of NCC unit is to develop the patriotism in the students and to create a pool of motivated and trained the students who can serve the country in any field.

I.T. (Information Technology) facility is also provided for the students in this school. The school has a big Library comprising a large number of books and daily newspapers are also available for the students for enhancement of their knowledge. Facility of well-established Science Laboratory is also available for the effective teaching of science subjects.

The Govt. has introduced to vocational course (Security & health Care in the School for 9th to +2 classes these courses are running smoothly.

Age wise Population Data According to VEC/Census of 2024-25

Age (Years)	11	12	13	14	6-11	11-14	6-14

9. Enrollment Rate

Enrollment Rate

- (i) Overall Enrollment Rate
- (ii) Level wise Enrollment Rate
- (iii) Grade wise Enrollment Rate
- (iv) Age Specific Enrollment Rate

Overall Enrollment Rate:-

$$\frac{\text{Enrollment in grade 6-8 in the year 't'}}{\text{Population of age-group 6-14 in the year 't'}} \times 100$$

Net Enrollment Rate:-

$$\frac{\text{Total Enrollment in Grade 6-8 aged 11-14 in the year 't'}}{\text{Total Population in the age-group 11-14 in the year 't'}} \times 100$$

Enrollment Rate for Grade 6:-

$$= \frac{\text{Enrollment in grade 6 in the year 't'}}{\text{Population of 11 year olds in the year 't'}} \times 100$$

Net Enrollment Rate for Grade 6:-

$$\frac{\text{Enrollment of students aged 11 in grade 6 in the year 't'}}{\text{Population of 11 year olds in the year 't'}} \times 100$$

Age Specific Enrollment Rate:-

$$\frac{\text{No. of enrolled children aged 'n' in the year 't'}}{\text{Population of age 'n' in the year 't'}} \times 100$$

Transition Rate From Level 'L' in the year 't':-

$$\frac{\text{No. of students promoted to and actually studying in grade 'g+1' in the year 't'}}{\text{No. of students enrolled in grade 'g' in the year 't'}} \times 100$$

10. Transition from One Level of Education to the Other:-

[From the Upper Primary Cycle of Education to the Higher Level of Education]

Year	UPPER PRIMARY					
	Appeared in Class VIII			Passed Out

4. To give new orientation to the teaching techniques and methods that will fulfill the present needs and requirement of the students.
5. Motivation and co-operation of the community for the progress of the institution would be continued.
6. Counseling program will be organized every month
7. Replacement of vocational students will be ensure with the help of private companies

1. ESTABLISHING CONTINUOUS MONITORING SUPERVISION AND EVALUATION

A regular supervision and evaluation of the working progress and assessment of the achievements will be ensured as per the targets specified in the SDP. Necessary steps will be taken from time to time to improve the wholesome working of the institution along with the co-operation of the community

Conclusion: -

1. Strength: - (i) More than 100 students have qualified NEET and 100 students qualified JEE.

(ii) The posts of all streams are filled up.

(iii) School is running under PM SHRI Scheme.

(iv) National winner in folk dance in the year of 2022.

2. Weakness: - (i) Having not solitude space.

(ii) Lack of boundary wall in back side of school.

3. Opportunity: - (i) To effectively inculcate moral values in students.

(ii) Impart vocational education to students so that they may be able to earn their livelihood.

(iii) To provide opportunity for the students in all events like sports, culture activity, quiz debates etc.
