

CREAKIDS LEARNING CENTRE KIBERA

Currently serving 11 schools, the Learning Centre has become a game-changer for the community. The Centre has made Learning for pupils more fun and exciting. The children always look forward to Learning.

KEY ACTIVITIES

- Four digital labs: Numeracy, Literacy, Business, and Computer.
- For Numeracy and Literacy Labs we are partnering with 11 schools within Kibera and a total of 500 pupils who attend the labs from Monday to Friday.
- For Business and Computer labs, we have youths from Kibera who take a three-month course.

Staff's Profile

Meet Lucy, a Christian and a highly dedicated facilitator at CreaKid Learning Centre in the Numeracy Lab. Lucy started working with Noracta as a Teacher in one of the schools in our network where she worked for... years. She has served with great passion for children and the community. At the CreaKids she has served for over 4 years in her current role where she is known for her smile and warmth while welcoming both the children and the guests who are always streaming at the centre. She is a pastor's wife Ayub and mother of two girls who both of them lives with special needs that is Hope and Jedidah. Seeing her children grow in spite of the conditions they live with have given great inspiration to serve others.

Computer class training ongoing-11 currently enrolled
