THE SANDY SHOW NEEDS YOU!

SUPPORT THE SHOW?

- Do you have ideas for small community events or the Sandy Show?
- Could you spare some time to help circulate leaflets or set up for an event?
- Could you help us build our online presence?
- Do you like to engage with community or working with young people?

For over 150 years the Sandy Show has been planned, arranged and run by volunteers, who, each year, try their best to develop a show that the Sandy community and surrounding areas will enjoy and encourage more people to come together in a love of making, baking and growing. If you would like to help support the Show either through volunteering or by joining the committee, please contact info@thesandyshow.uk or talk to a **Committee member** at any of our events.

We are actively looking for volunteers to support several roles
