

OPEN TRIP^{2D1N}

Wae Rebo

EAST NUSA TENGGARA , INDONESIA

THE TRADITIONAL VILLAGE OF WAEREBO

Wae Rebo is a small, remote village. Located approx 1,100 meters above sea level and travel time is less more than 3 - 4 hours walk from Denge Village. Wae Rebo completely surrounded by noramik mountains and dense Todo forest. Forest This tropical is rich in vegetation, where you will find orchids, various types of ferns and hear the songs of many songbirds. There is also no cellphone coverage in this village, and electricity is only available from 6 to 10 p.m. The air is relatively cold, especially in the dry season, So don't forget to bring a jacket if you plan to visit the village.
